DEPARTMENT

## ABOUT THE CITY

it is the only **Art Nouveau** City in Romania (check out: Black Eagle Palace, Darvas-La Roche Villa)

in 2011 it was chosen as the **greenest** city in Romania (lots of beautiful public parks and gardens) and the River Crisul-Repede (Sebes-Körös) running through the city

it has a **medieval fortress** that used to be a place of pilgrimage in the medieval times and the place of burial for several medieval kings. Within the fortress walls there is a beautiful palace inside

it is famous for its nearby **mineral springs** and spa resorts (Băile Felix, Nymphaea Aquapark)

year-round events and **festivals** (Oradean Fall, Festum Varadinum, Transylvania International Film Festival, Jazz festivals, Street Food)

the **Moszkva, Gekko,** and **Lokal Pubs** are all unique multicultural places for concerts and cultural events

new **sports** and fitness facilities (running tracks, Olympic Swimming Pool, climbing gyms, sports fields)

**mountain hiking** trips and bicycle tours to the beautiful Bihor Mountains nearby (the Padiș tourist area, situated in the Apuseni Natural Park, draws thousands of tourists annually, with its natural reserves, gorges, and ice caves)

# MA in English

Postgraduate studies

*Multilingualism and multiculturalism  
Translation and interpretation*

## OPPORTUNITIES

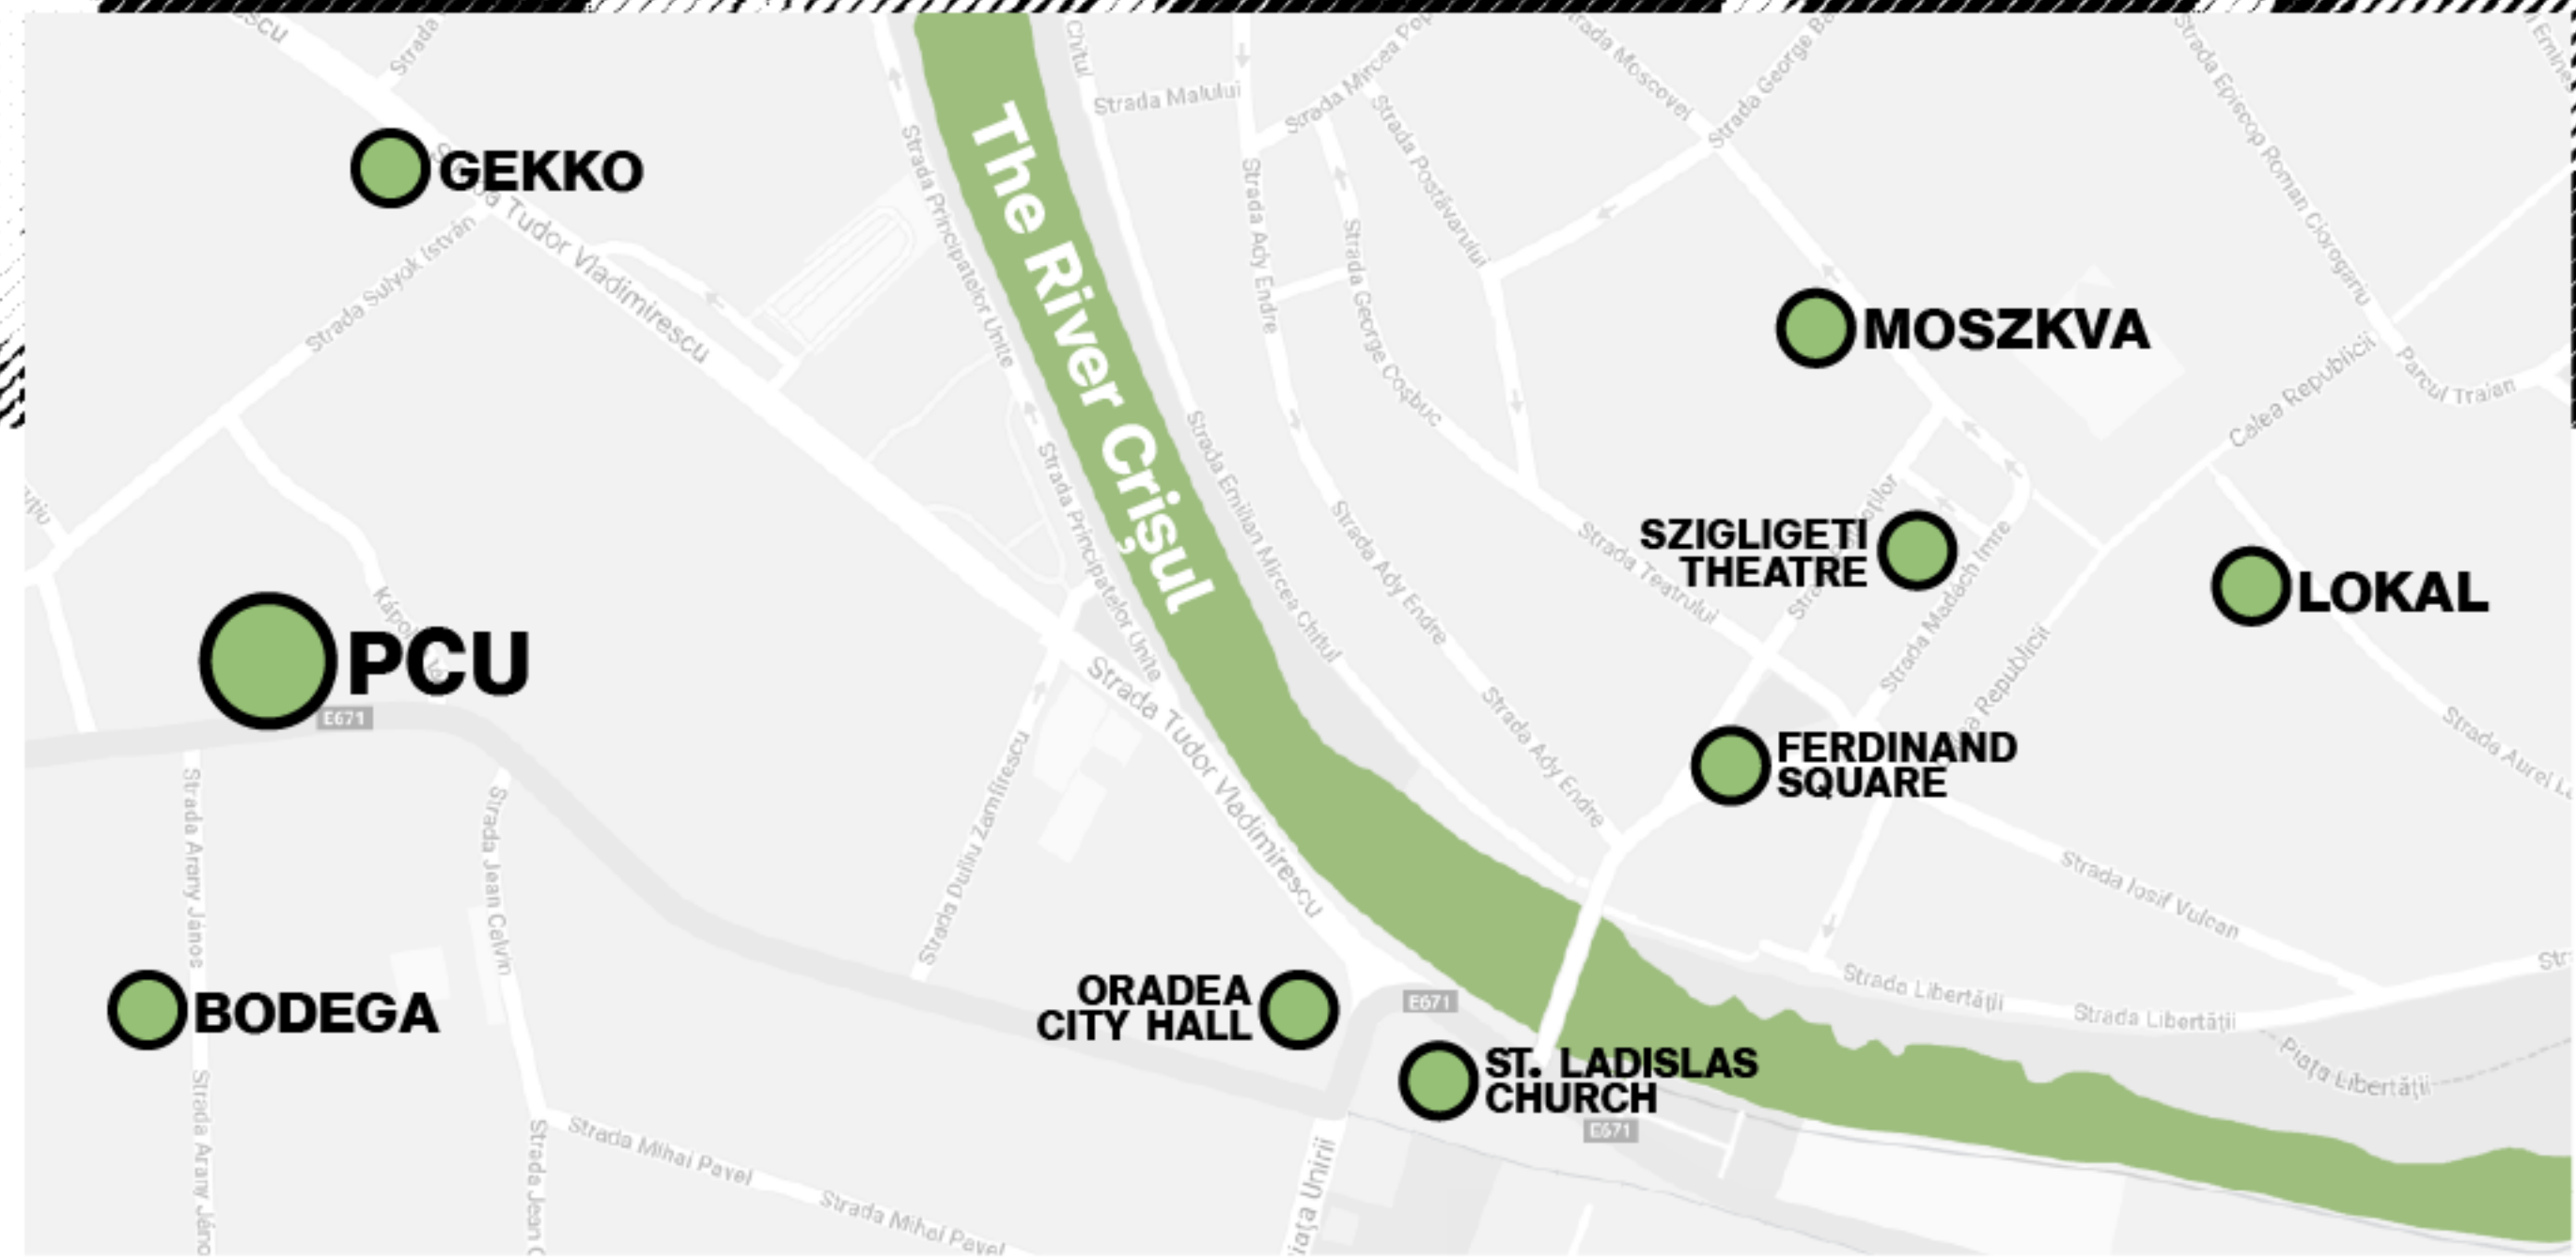

We have a **Center for Career Guidance and Excellence** at your disposal. Its role is to help guide you in your academic career and personal development. The center maintains professional relationships with employers and graduates of the university in order to help make the transition between tuition and the actual employment.

We have fully-equipped **computer labs** for informatics, phonetics-phonology, and multimedia. **WiFi** is accessible in all locations of the campus.

The **University Library** has more than 47,000 books and specialized journal subscriptions in four languages, as well as access to international databases.

There is an **e-learning** platform, accessible to students with various majors where the teachers upload electronic content, related to the subject matters.
